BLUE COLOUR DAY

Recognizing the colours and identifying the colour names is an important part of a child's development. Early identification of colours helps to create the cognitive link between visual clues and words.

DYPIS Little Wonders celebrated Blue colour day with great enthusiasm and zeal on 12th February 2022.

Our pre-primary teachers organised various fun-filled activities for the students.

The celebration included lots of games, songs and dance.

Children wore blue colour dresses as per the theme.

Blue Colour Day was an amazing learning experience for the students.
