DYPISN/Academic/2024-25/ December/92

Date: 9th December 2024

Dear parents,
Greetings of the day!

On the occasion of **National Pesticide Day**, the Government of India is conducting a **deworming drive** to promote the health and well-being of children. As part of this initiative, deworming tablets will be distributed to students in our school under the supervision of trained staff. Deworming is an important measure to prevent infections and improve children's overall health. The tablets are safe and recommended by the government for school-aged children.

Please note:

1. The tablet distribution will take place during school hours.
2. Parents are requested to sign and submit the consent form below to allow their child to receive the deworming tablet.
3. If your child has any known allergies or medical conditions, kindly inform the class teacher.

Regards,
DPYIS, Nagpur
